We are going live on **September 8th, 2020, at 6:00 am PDT.**

SEEIN	EARLY-BIRD PRICE	MSRP	% OFF
Single Pack with 10 test strips	\$159.00	\$309.00	49%
2 Pack with 20 pack test strip	\$313.00	\$618.00	49%

Intriex helps you understand your body better with a simple metabolism test at home (or anywhere). Get easy-to-understand results, accurate analyses, and complete guidance to achieve your healthiest weight.

Optimize Workouts

Personalized Meal Plans

Accurate Biomarker Testing

Non-Invasive

Record & Track Data

AI-Based Diet Analysis

Resting Metabolic Rate (RMR) Index

Calculates how well your body burns calories when it is at complete rest.

Body Fat Index

Calculates your body fat based on your Leptin and Irisin levels.

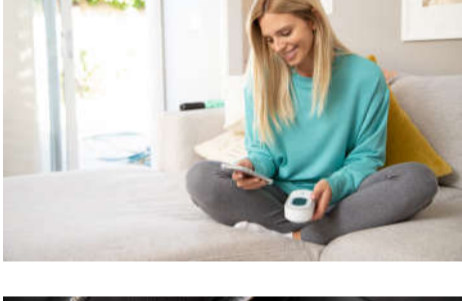

Ketone Index

Calculates the ratio of blood glucose to ketones to see if your body has enough fuel for energy.

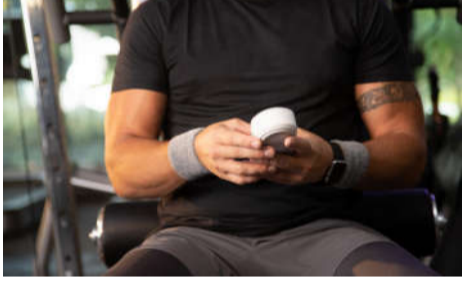

Create personalized diet plans, workout strategies, and a long-term map for smarter weight management.

Coach your lifestyle, letting you know exactly what to eat. Get personalized meal plans based on your resting metabolic rate level and ketone levels.

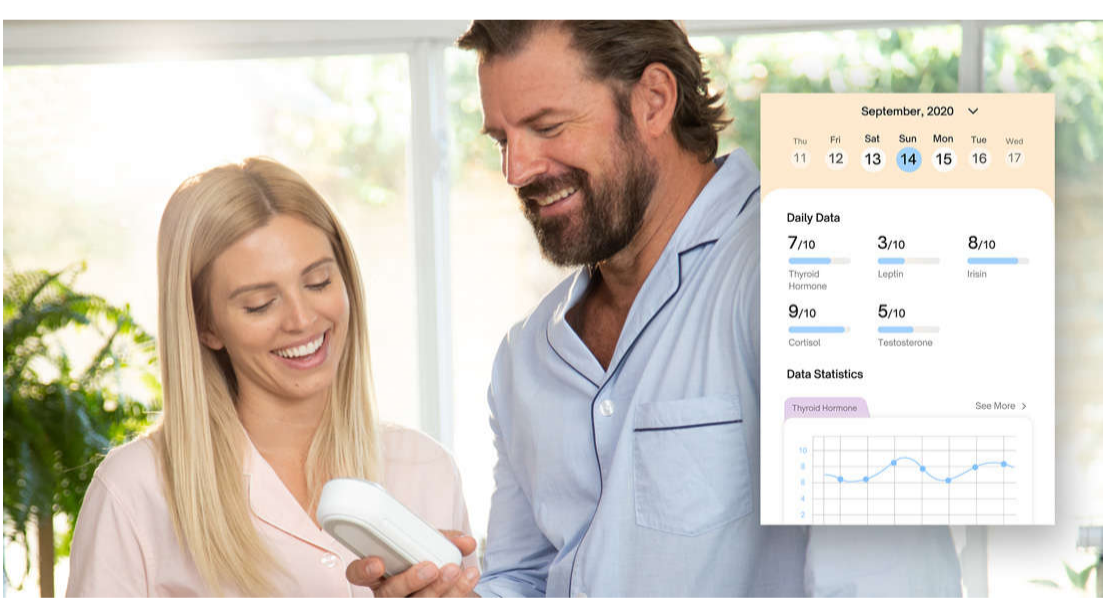

Recognize your daily diet and analyze the nutrition of your meals automatically. Check if you have enough carbs, protein, and fat in your diet.

Provide feedback on the performance of your workout plan, including how to optimize your routine to achieve your exercise goal.
